

Angry at God

Godly motive, worldly method

2 Samuel 6:1-11

God is never pleased by disobedience.

The true God is often inscrutable.

When you don't understand God, draw closer to him.

Reconciled to God

2 Samuel 6:12-19

Those who disobey God should repent and reconcile.

If you're not as close to God as you used to be, who moved?

The worship critic

2 Samuel 6:20-23

Worship God, don't criticize those who do.

The true judge of worship is God.
