Paving the parking lot

The main entrance to our parking lot is closed because the broken paving has increased and needs immediate repair.

Interact with us on social media

We are using the Internet for ministry at First Brethren. We have our website at joyfulstream.org. Right now we have a link to our nationally produced “Brethren in America” series of webcasts that you can watch. You can also find recent sermons on the website.

In addition, you can find us on Facebook at First Brethren Church of Sarasota. We have a Facebook page as well as a Facebook group. You can like the posts and you can share them. This will increase the reach of our ministry. We stream our Sunday services on Facebook Live and we usually have about twenty people watching the service live.

You can also check in with Facebook when you come to worship. This notifies your friends that you are taking time out for God and lets them know where they can come to worship as well.

Pastor Stone is using Facebook to send thoughts for the day. If you receive these thoughts for the day or other posts which will give the subject of the Sunday sermon, you can share the posts and they will go to many more people in the community. This is an opportunity to make people aware of our church and our message.

We will put more information in the bulletin next week with other suggestions for interacting with the church.

Stewardship for the week of August 11, 2019
