

Sermon: Count on God's promise

Galatians 3:1-14

The ancient promise

Paul has a practical argument and an historical one.

Grace came before the law.

Galatians 3:15-29

People change their minds; God doesn't.

2 Timothy 4:3-4, Ephesians 4:11-16, Hebrews 6:17-18

God's promises are certain.

2 Corinthians 1:20, Proverbs 19:21

The purpose of the law

The law condemns and controls us.

Grace adopts us.
