

Sermon: Faith

The power of salvation

Romans 1:16-17

We have a universal sense of brokenness.

We can't be made whole by good works.

Righteousness is by faith from first to last.

Real faith

Hebrews 11:6

Faith is more than just belief.

Biblical faith includes belief and trust.

Without trust, you will not follow God.

There is no power in fake faith.

The changed life

Ephesians 2:8-10

We are saved by grace, through faith.

True Christianity does not lead to pride but humility.

True faith will lead to a changed life.
