

Fellowship in practice

A transformed people

Acts 2:36-47

We cannot have fellowship until we have peace with God.

2 Corinthians 6:14-18

The church is not a self-improvement club,

it is a gathering of transformed people.

2 Corinthians 5:17

The earliest example of fellowship

The church had a sense of belonging.

The church was learning.

The church spent time together.

The church prayed together.

The church took care of each other.

The church worshipped together.

The church grew together.
