

## Sermon: God, I'm only human

Psalm 8:1-9

### The believer's self-image

Our first reaction to the real God is humility.

Our second reaction to the real God is a sense of deep worth.

The unbeliever often has the opposite progression.

### The practical result

Being human is not an excuse.

In God, we transcend mere humanity.

1 Corinthians 3:3

The key to a victorious life is God's Spirit in us.
