

## Sermon: Harvest

### Reaping and sowing

Galatians 6:7-10

You can choose your actions but not your consequences.

Worldly actions lead to destruction.

Your acts of service to God will never be forgotten.

### Escape from consequences

Galatians 6:11-18

The solution for our broken world is the new creation,

not better behaved sinners.

Your job is to reflect Jesus' righteousness,

not your self-righteousness.
