

Hope in the ruins

God's protection in a fallen world

Sometimes our pain is God's punishment to restore us.

God protects his people from tragedy or in tragedy.

God protects us in his way

1 Kings 12:7-16

Following God is a journey, not a destination.

Faith means trusting God with our firstfruits, not leftovers.

Don't give up on God and he won't give up on you

1 Kings 12:17-24

Our troubles are an opportunity for God's miracles.
