

Knowing God's Will #1

1. Know God

Proverbs 3:5-6

Knowing God is very different than knowing about God.

The command to love God is for our benefit.

Ephesians 3:18-19

So much of life is attitude and not circumstances.

2. Surrender to his will

Romans 12:1-2

You know God's will after accepting it.

God does not suggest commands for prior approval.

If you love God, you will desire his will.

1 John 5:1-5
