

Sermon: No other gospel

Galatians 1:1-10

The problem in Galatia

The first church controversy was with Judaizers.

Grace must have seemed to be a license for immorality.

The centrality of the gospel

The center of our faith is "good news" about Jesus.

1 Corinthians 15:1-8

The ethics of most religions are usually similar.

The uniqueness about Christ is grace.

The importance of the gospel

The gospel is not life and death, it's more important.
