

## Sermon: Peace in the storm

### The megastorm

Mark 4:35-38

Following Jesus is not always smooth sailing.

This was a megastorm.

Jesus' faith did not depend on the weather.

### The megacalm

Mark 4:39-40

Fear is driven out by faith.

Christ's followers should never base decisions on fear.

### The megafear

Mark 4:41

Fear of the storm's power was replaced by fear of Jesus' power.

We must all answer, "Who is this?".

We must trust Jesus' power, wisdom, and love.

More faith leads to better obedience and less worry.
