

# The Great Commission

## The authority of Jesus

Matthew 28:16-20

Jesus had the authority to command his disciples.

Jesus has the authority to command his disciples today.

We can't make disciples by our own authority.

## Make disciples

The command is to make disciples, not believers.

A disciple is a student or a follower.

The goal of a disciple is Christlikeness.

The mission of a disciple is to make more disciples.

## How can I help?

The best evangelism is prayer.

Luke 10:1-3

Some disciples have a gift of evangelism.

Whatever your gift, you can use it for evangelism.

Every believer can be a witness.

1 Peter 3:15-16

You can't give what you don't have.
