

# The right way to do communion

## Keep the main thing the main thing

1 Corinthians 11:17-34

For those unsure of their beliefs, everything is critical.

1 Peter 3:21

The main thing in communion is to commune.

Communion is a celebration of our unity.

Being right is wrong if it results in pride instead of love.

## Eating in a worthy manner

God takes symbols seriously.

We should not avoid communion, we should prepare.
