

You are worthwhile in God

Worthless without God

Ephesians 2:1-3

Most people have to struggle with self-worth.

We judge ourselves by what we *think* others think of us.

We judge ourselves by what we know of ourselves.

We all fall short of God's glory.

The world's answer is to encourage self-esteem.

God, the source of all value

Ephesians 2:4-7

Everything is created for a purpose.

That purpose can only be defined by the Creator.

The good news is he sees value in you.

Grace through faith, not works

Ephesians 2:8-9

All the good works in the world cannot erase your sin.

God remakes you

Ephesians 2:10

We are born with a desire to be worthwhile.

One day we will become what God already sees in us.
